# A Heartfelt Ceremony in a Bamboo Tea Room

Every Japanese person hopes to visit Mie – a region that places high value on the heart of hospitality – at least once in their life.

A simple and elegant bamboo tea room will be set up for the event, where guests can enjoy tea and confections local to Mie. Mie is also known for its tea production.

Tea, bowls, and confections are sample images. It may differ from what is available at the event.

The bamboo tea room “Ki-an” is a welcoming space for all visitors, regardless of their status or disposition. At this event, we would like you to forget the hustle and bustle of the city and enjoy Mie’s tea and confections in a serene setting.

## Mie's Flavors

Mie is surrounded by mountain and ocean, and offers many delicious foods such as Matsusaka beef and Ise lobster. Enjoy the flavors that represent Mie.

## Mie Sake Sampling

Mie has the ideal climate, pure water, and rice, giving it the perfect combination for making a delicious selection of Japanese sake. Enjoy Mie's sake with traditional Banko and Iga ceramic ware.

## Mie's Industrial Arts and Specialty Products

Mie's industrial products as well as ceramics and woodwork will be on display. Get a first-hand look at the techniques of Mie's artisans.
